tribute band, with band members who are very experienced with other long running successful tribute and concept shows. Because of our experience in these other show bands we know exactly what it takes to perform a top quality and professional tribute that fully engages an audience.

As well as their busy performance schedule in Australia, during 2010 **Rolling Stoned** were hired to travel internationally to Singapore for a series of shows. In 2011 **Rolling Stoned** were booked by the British Chamber of Commerce to perform at their **Royal Wedding** celebration function, and also were the headline entertainment at the **Australian Interactive Media Industry Association's** annual "White Party" event.

Rolling Stoned play four decades of **Stones** hits from the early sixties right through to the nineties, and put on an energetic stage show complete with costume changes. Shows are performed totally live with full instrumentation and no backing tracks.

As well as sounding as close to the real thing as possible, a **Rolling Stoned** show also features authentic wardrobe and stage equipment. No other **Rolling Stones** tribute band or show in Australia goes to the level of detail that **Rolling Stoned** do to present a genuinely authentic experience for their audience.

The music of the **Rolling Stones** has broader appeal than most other tribute bands on the market, with their music known and loved by both males and females aged from their twenties through to their seventies, which makes **Rolling Stoned** an attractive proposition for almost any venue, function or special event.

With enough Rolling Stones material in our repertoire to play anything from a 1 hour show to a 4 set gig, Rolling Stoned can tailor performances to suit any venue, event, function or budget.
